About us

We are the after-school care center of the Grolland Children's and Family Center. In the rooms of the Grolland elementary school, we look after up to 40 primary school children from 13:00 to 16:00. The children receive a daily lunch in the school canteen, and the kitchen of the daycare center also serves our after-school children.

After a demanding day at school, the children can simply come here to relax, let off steam or pursue their interests. Our after-school care center comprises three rooms in the Grolland elementary school. There is a spacious main room with a reading corner and books and materials for building, painting and handicrafts. In the tea kitchen we can eat and drink snacks and there is also space for our workbench. There is also a smaller room where we can retreat, build dens and play. The school meadow and the U3 outdoor area are there for our children to go out, run around and climb. Occasionally, we also have access to the school gym. The children have the opportunity to do their homework at a fixed time.

Homework is supervised and supported by our educational staff, and we will probably have a classroom available for this purpose. At the beginning of the school year, we ask which child is obliged to do their homework with us and who is allowed to choose it themselves. We also celebrate festivities such as carnival or Halloween.

Overview

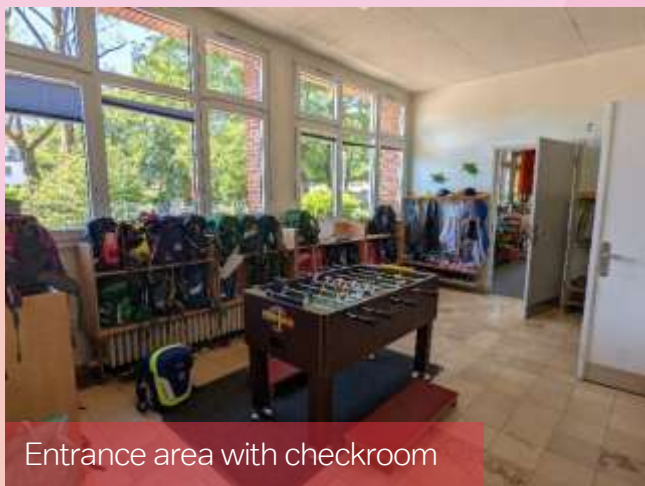

Our daily structure in the after-school care center

- 13:00-13:30- Arrival + Lunch
- 13:30-14:30 - Homework time/ free play/ offers/school clubs or musical instrument lessons (these are offered externally via the school).
- 14:30 - Tea time (we offer the children something small to eat in our tea kitchen).
- 15:00-16:00 - Free play

During the school vacations and outside the closing times of the Grolland Children's and Family Center, after-school care is offered from 08:00-16:00

Registrations for vacation care are always requested before the vacations. Vacation dates and closing times are posted at the beginning of the school year.
